Dear Parents and Wider Community

As part of our ongoing commitment to secure the best provision for young people, LEAP Multi Academy Trust are currently in the process of joining New Collaborative Learning Trust (NCLT). This larger organisation will provide a range of benefits for students, families and the wider community.

We would like to invite you to attend an information session for Dinnington High School parents and the wider community to share details about the transfer and what the benefits for students, parents and wider community will be.

The meeting will take place on **22 February** in the **Hall** at **5.30pm**.

Whilst the meeting will give the opportunity to ask any questions, if you could email [sam.corbett@leap-mat.org.uk](mailto:sam.corbett@leap-mat.org.uk) with any questions before the session we will endeavour to answer them in the presentation.

Yours sincerely
